## **Certificate of Analysis**

| Product Name              | STANDARD™ M10 STI Panel  |               |            |        |
|---------------------------|--|---------------|------------|--------|
| Cat No.                   | 11STI10A   | Ref No.       | M10-STI-01 |        |
| Main Lot/Sub Lot          | 8CM5C61AJ1   | MFG Date      | 2024-12-06 |        |
|                           |  | EXP Date      | 2025-12-05 |        |
| <b>Testing categories</b> | Spee   | Specification |            | Result |
| Performance<br>Inspection | Sensitivity: 100% detected in 1,000 copies/ml  |               |            | Pass   |
|                           | Repeatability: Results are within ± 2 Ct of target concentration   |               |            | Pass   |
|                           | Specificity: No fluorescence signal detected in negative control   |               |            | Pass   |
| Apperance<br>Inspection   | <ul> <li>Check the text number of the labeling material</li> <li>Quantity per one container : 10ea</li> </ul>  |               |            | Pass   |
|                           | <ul> <li>Expiration date between cartridge label and package of test kit</li> <li>LOT No. between cartridge label and package of test kit</li> </ul> |               |            | Pass   |

According to SD Biosensor's quality assurance system, the above QC tests have been completed and passed the specification. We hereby approve this product release.
